LIONS ZONE MEETING IN STRATHMORE

The second annual zone social for Lions clubs in district 37C was held Thursday last in Strathmore with some 100 Lions and their ladies in attendance coming from Clubs all over the area, including Belseker, Irricana, Rockyford, and Calgary.

Zone chairman Lou Schmalz presided at the meeting. With jollity the keynote of the evening, Mr. Schmalz

kept things running at a high pitch throughout the evening. He was aided by Tail Twisters Joanny Steel of Irricana and J. J. Milligan of Strathmore, and Johnny Wald of Belseker, whose auctioneering success was nothing short of amazing to the various members.

Mr. Gilbert Patrick lent a great deal of enthusiasm to the meeting with a short period of song-leading, at the close of which members were entertained with a trio of Messrs Patrick, Alex Beveridge of Calgary, and Maurice Botinne of Belseker.

Entertainment continued with two songs by Mrs. Mary Mercer, very pleasingly rendered, and appreciated greatly by many of her friends who have not heard Mrs. Mercer for some time. She was accompanied by Mrs. Jessie Kennedy.

An enthralling short period of sleight-of-hand and conjuring was contributed by Mr. Botinne, following which members of the audience insisted that he deliver a couple of short monologues, which were highly enjoyed.

G. H. Patrick then sang a group of his humorous songs, to the great merriment of all his listeners. This was immediately followed by a male voice quart consisting of Messrs D. Hirtle, D. Ford, G. H. Patrick and J. Giffen, who sang a couple of repeat numbers from the choral evening so recently presented. All of these were accompanied by Mrs. Kennedy at the piano.

Following the meeting, the tables were cleared away, and a lively session of dancing was enjoyed with music provided by the Hughes' Orchestra from Rosebud.

40 HOUR DEVOTIONS AT SACRED HEART

Annual 40 hour devotional periods are commencing in the Calgary diocese and are scheduled for Sacred Heart Church commencing Sunday, June 1. Devotions in Strathmore will be under direction of Rev. Father O'Reilly, C.S. S.R., of Calgary. The period will continue until Tuesday evening.

B. CHAPMAN ACHIEVES ENVIABLE RECORD

At the recent Musical Festivals held in Calgary and Edmonton, Blain Chapman won high standing in a large number of competitions.

Following is the list of his awards:

- 1— First in Open Oratorio for Baritone.
- 2— First in Open Baritone Solo.
- 3— Won the Clark Memorial Scholarship.
- 4— First in Open Oratorio, Edmonton.
- 5— First in the Shenley Challenge Cup competition for Bases and Baritone.

LIBRARY DEBT-FREE

The debt incurred by the original purchase of the books for the public Library has now been completely paid. In the main, this achievement is due to the initiative of this year's Class of Social Studies, Grade X, at the Strathmore School. The project was undertaken by the students in Social Studies some three years ago, and has been conducted by them since that time.

A group of five new books has been donated to the Library by Thurston's Drug Store, and was received with appreciation. There are now some nine hundred books on the shelves.

The library committee would like to see greater use made of the facilities. Membership in the library costs one dollar per year, and this membership entitles the member to borrow as many books as desired. The library is open on Wednesday afternoon, and Saturday afternoon and evening.

Nightingale wins T'nament, 24th

The dances and baseball tournament sponsored by the Strathmore Ball Club over the holiday weekend were very successful, both from an entertainment and a financial viewpoint. The crowd was small at the novelty Dance on Friday night but all seemed to be enjoying themselves. Winners in the spot dances were Mary Snooks and John Coles, Raymond Payne and Pearl Stewart of Lajalta, Evelyn Hildon and Albert Lugg, Hene Willson and Jerry Robison.

Nightingale defeated Strathmore in the first ball game while in the second game Rockyford were winners over Carleton. The final game was won by Nightingale.

Appreciation of the Strathmore Ball Club was expressed to the Lions Club and others who helped to make the tournament such a successful day. Since the list of donations was published recently, further donations have been received from the Lions Club

QUEEN CANDIDATE

ILENE WILLSON
—Courtesy, Calgary Albertan

Chosen as candidate of the Women's Auxiliary to the Canadian Legion for Queen of the Calgary Stampede is Miss Ilene Willson, above, of Strathmore.

One of Strathmore's local girls, Ilene served during the war with the WRENS, following which she returned to Strathmore, and is presently employed in the Wheatland School office.

One of ten candidates from Calgary and district for Queen of the Calgary Stampede, it is expected that Ilene will receive royal support from a host of campaigners in this district. The queen contest is sponsored by the Calgary Travellers Association.

and from J. Bremner, and the ball club again feels great appreciation for these and all others who have helped towards the improvement of the Ball Park.

H. & S. News Board Meets in Strathmore

Friday last the board of the Alberta Home and School News met in Strathmore. They first spent an interesting couple of hours at the office of the Strathmore Standard, where their written script is transformed into the printed word.

They then repaired to Mrs. Moore's home where lunch was waiting. Following lunch a business meeting was held in which several matters of importance to the Board were discussed. The committee included Mr. M. MacLeod, Prov. President; Mrs. A. N. Hutchinson, Chairman, Mrs. E. H. Roaleh, Mrs. W. R. Salt, Mrs. R. Tebo, Mrs. A. M. Moore, and Mr. C. A. MacLean.

Business concluded, the executive members of the local H. & S. Group enjoyed a very happy and interesting social hour with the Calgary visitors.

Cluny High Holds Graduation Banquet

Cluny High School held its first Graduation Banquet in the Cluny Community Hall on Friday, May 23. Over two hundred, parents and students sat down to a very fine supper prepared jointly by the parents and dormitory staff, and very efficiently served by volunteer local residents.

The hall was attractively decorated in the school colors—purple and yellow, and the motif "New Horizons" was effectively carried out by eight twenty foot murals, skillfully painted by the art class, depicting the widely varied horizons of our own country.

The President of the Student's Council, Kenneth Hnatuk, opened the program with a short address of welcome to the parents and guests. Following the toast to the King, Miss Audrey Jones proposed the toast to the School which was ably responded to by Mr. Betton, principal. A toast to the Dormitory was proposed by Jerome Corbelle, with brief commentary on the life in the Dorm. This was responded to by Miss Gillander, Matron of the Dorm.

Claresholm Honors First Woman Elected in British Legislature

A bronze tablet erected in commemoration of the public services of the late Mrs. Louise McKinney, will be unveiled on Friday, June 13, at Claresholm, Alberta, where an appropriate ceremony has been arranged for the occasion.

The erection of this memorial in honor of one of Alberta's outstanding citizens was undertaken by the National Parks Bureau of the Department of Mines and Resources, which is entrusted with the preservation and administration of the National Historic Parks and Sites and the commemoration of the public services of outstanding Canadians. The Bureau is advised in this phase of its work by the Historic Sites and Monuments Board of Canada, an honorary body of eminent historians representing various parts of the Dominion.

Professor M. H. Lone, of the Department of History, University of Canada, will represent both the Board and the National Parks Bureau at the ceremony.

The inscription on the tablet reads as follows:

LOUISE CRUMMY MCKINNEY
The first woman to become a member of a legislature in the British Empire Elected by the constituency of Claresholm to the Legislative Assembly of Alberta, 7th June, 1917

REV. CANTOLON ADDRESSES H.S.A.

A very interesting address on work with young people was given by Rev. H. Cantolon of Vevreville at the May meeting of the Home and School Monday evening in the United Church.

Rev. Cantolon is convincing, enthusiastic and effective in his work and is assured of the ultimate benefit to Canada that will result from a sympathetic and understanding co-operation. His address was followed with close attention.

A pleasing piano duet by Miss Jean Garrett and Mrs. Alice Polley and a solo by Rev. Ford excellently rendered, preceded the address.

A warm vote of appreciation was tendered Rev. Cantolon by Mr. D. Mc Murray.

A motion that the scholarship for Grade IX be continued for this year was passed, and suggestions as to raising funds were received.

No meeting will be held in June.

At the conclusion of Rev. Cantolon's address an abundance of delicious refreshments was served in the Memorial Room, under the capable guidance of Mrs. J. Crellin, and her assistants, Mrs. Garrett, Mrs. Gannon and Mrs. Mott.

HONOR MR. & MRS. MARK CRELLIN

Sunday evening friends and neighbors to the number of twenty-five, gathered at the home of Mr. and Mrs. Mark Crellin to celebrate with them on the occasion of their Forty-second Wedding Anniversary.

It was a complete surprise to the honor guests and it was several moments before Mrs. Crellin could fully regain her usual composure.

Merry conversation and a happy hour over the coffee cups was followed by the presentation made by Mrs. Janis Lyons, on behalf of the guests, of a fine electric iron, accompanied by the good wishes of all for good health for many years to come for the guests of honor who have spent such a useful life here in Strathmore.

For They are Jolly Good Fellows was heartily sung, the guests then wending their several ways homeward.

Lions Sports Day, S'more, July 1st, 1947

FAIRPLAY

Miss Mavis Anderson has spent the last week at the home of her parents. She left Sunday evening for Regina.

Sorry to report that Mrs. K. L. Albertson is still confined to the hospital. Her conditions are somewhat improved.

Mrs. H. O. Peterson left on Sunday morning on a business trip. She will be away a week or ten days.

Mrs. Stanley Marshall of Calgary is the guest of Mr. and Mrs. G. L. Buntin for a few days.

Mrs. E. C. Snider is spending a few days in Calgary this week attending the Womens Institute Convention.

The road graders are active in the district this week. We hope for good roads soon.

May 24, guests at the home of Mr. and Mrs. E. L. Albertson were Mr. and Mrs. K. R. Silkstone of Calgary, and their guest Miss Lenore Pauling of Medicine Hat.

Mr. W. D. Braden had a chance to prove that he was a past master of the culinary art on Sunday morning, when Mr. and Mrs. Moe and Mr. and Mrs. G. Whitney called in unexpectedly for breakfast. Pancakes and coffee were on the bill of fare.

Alf Tannas (in front of dental display window): "I believe I'll get myself a set of teeth like those over there."

Mrs. Tannas: "Hush, don't you know it's impolite to pick your teeth in public!"

SUBSTANTIAL REWARDS-PAID IN SEARCH FOR "EMPTIES"

Substantial rewards have been paid to Albertans who were successful in apprehending E.B. bottles alias "Empties," it was announced today by authorities at Deliveries Limited, agents for the Brewing Industry from where bottles escaped work.

During the past month, rural and urban residents have cooperated in an intensified search for bottles, investigating the culprit's favored hide outs such as basement corners and wall closets. Deliveries Limited paid rewards of 20 cents per dozen to persons apprehending the fugitive and returning bottles to their custody.

The escape of the fugitive from essential work in the brewing industry was regarded as serious, with bottles now back on the job, the industry expects to be able to maintain its normal output. However, Deliveries Limited, while reporting success in the current campaign, asks citizens to continue to keep a sharp look-out, and warned that bottles may attempt another escape and again return to favored hiding places.

CHANCELLOR NOTES

Chancellor won the ball tournament at Gleichen on May 24, beating both Cluny and Queenstown.

The Chancellor members O.E.S. attended the Hussar Chapter's birthday party on Wednesday evening.

Higher Yields From Good Seed

Clean seed of high germination means bigger and better crops for farmers. This picture shows a sample of seed being checked for cleanliness in one of the Dominion Department of Agriculture Seed Laboratories located at several centres throughout Canada. Germination tests are also made at these laboratories and seed cleaning plants are available to farmers in all parts of the Dominion.

"What a thrill to take the wheel of a smart new Oldsmobile..."

HERE's an up-to-the-minute version of that grand old tune, "In My Merry Oldsmobile". In the new words you'll find one of the outstanding reasons why Oldsmobile owners are so enthusiastically singing the praises of the 1947 Oldsmobile. What a smart looking car it is!... Long and low and smooth in its lines—tailored just to your taste. It's a smart performer, too, and it offers all the features you want.

"You'll be fresh when you arrive thanks to Hydra-Matic Drive..."

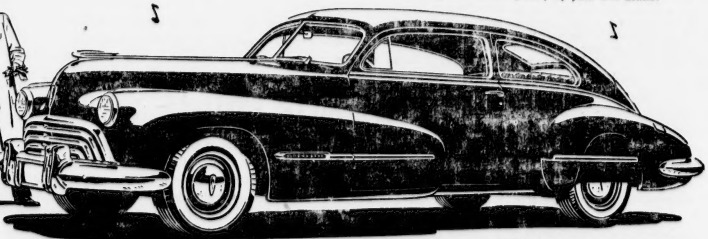

You go places with less effort in a new Oldsmobile with GM Hydra-Matic Drive*. Yet you get livelier performance, better economy, and greater safety than you did in old-fashioned driving. Hydra-Matic Drive* is the only fully proved, fully automatic drive—and it's at its peak in the 1947 Oldsmobile!

"Just forget the clutch and gear — all you do is sit and steer..."

There's no clutch pushing with GM Hydra-Matic Drive*—not even a clutch pedal in the car. And all gear shifting is automatic, through all four forward speeds. Just take the wheel of an Oldsmobile and sit back in comfort, enjoying the smoothest driving you've ever known!

"What a happy day it will be for you when your Oldsmobile is here!"

*Hydra-Matic Drive is optional at extra cost.

LANGDON NOTES

— By G. E. W. —

FIRE SUCCESSFULLY FOUGHT AT LANGDON

The prompt response of the men of Langdon and district checked the fire that broke out in the home of Mr. and Mrs. C. Stevens, on Tuesday evening. The high winds fanned the fire that started under the back step, it having a good start before the alarm was sent in. Mrs. Stevens was preparing supper at the time, and no one in the house knew of the fire, as it had caught the outside of the door. After fighting the fire for some considerable time the furniture was carried outdoors and later removed to the church. Mrs. Nicholson kept the three children for the night while Mr. and Mrs. Stevens stayed at the home of Mr. and Mrs. Watson. The Stevens have now moved to their home 2½ miles south of Langdon.

At the regular meeting of the W.I. on Wednesday afternoon, fifteen members were present. Mrs. A. Watson acted as president. The meeting was opened by singing O'Canada, followed

by the creed. The secretary read the minutes of the last meeting. A \$3.00 food parcel will be sent each month through the Rotary Club to England where they will be distributed among the needy. Resolutions that will be read at the convention were discussed taking up considerable time. A letter from Mrs. Braden, who is spending a short time at Banff, was read to the members. Mrs. A. Watson, will be delegate from Langdon, at the convention in Calgary, May 28, 29 and 30. Roll Call was a Health hint and answered by all. A dainty lunch was served by the hostesses, Mrs. C. Jessey and Mrs. A. Warraack. Little David Robinson has been very ill with tonsillitis. We are glad to report he is gradually improving, and that he may soon be outdoors again at play.

Several residents of Langdon availed themselves of the long weekend, spending it at Banff, reporting as having a lovely time.

Mrs. Ed Snider will attend the W.I. convention in Calgary.

Mrs. Moe, Mrs. Buntain and Mrs. Whitney, plan on taking one day in at the convention.

CHEADLE NEWS

— By B. W. —

Mrs. A. Fortems, of Calgary, spent the weekend with her daughter, Mrs. A. Gustavsen.

Quite a number of people around Cheadle, attended the Fish and Game Meeting in Carlsland on Monday night.

We are sorry to hear that Mrs. Walker is suffering from rheumatism.

There are many tall fish stories circulating around Cheadle, since the following six fishermen have returned from a trip to Lake Newal. B. Fortems, L. Fortems, C. Ison, A. Gustavsen, K. MacDougall, and L. Welshimer.

We are sorry to hear that Mrs. Hartell has not been feeling well.

It is sensible to buy or sell used articles. The cost of classified advertising is small, but the results are big.

Miss Ena Thomas was home for the weekend.

Mrs. Fred Toggart of Orion is spending a couple of days with her sister, Mrs. Vingie, before leaving for Calgary to attend the convention.

**IMPORTANT POWER TEST:**

Road tests now being carried out by the Canadian Pacific Railway with diesel-electric locomotive 1501 if successful may revolutionize rail motive power in the Dominion. In this layout (left), the engine is leaving the Farnham, Que., yards on its first test

hauling 40 loaded box cars, with Engineer N. Roy (top right) at the throttle in the spotless cab, while Operator W. B. Patterson (bottom right) works at the Chronograph table of the C.P.R.'s dynamometer car, only one of its type in North America. This car, designed by Canadian Pacific technicians, gives a complete picture of the

performance of any locomotive through a complex system of dials and automatic recorders. Following exhaustive tests on the heavy-traffic Farnham division, 1501 will run on the level Winchester subdivision of the Montreal-Toronto main line and on the curves and grades of the Laurentian division.

CARSELAND NOTES

Mr. and Mrs. Trent had a few guests at their home over the weekend. Included among these were Louis McKinnon, and his mother, Mrs. McKinnon, Mr. Alfred Trent, Jack Pern, Neil Stangness, Martin Christensen Jr., Mr. Martha Kaiser, Felix Marcy, and his friend, Miss Peggie Smith. Also in the

evening these were joined by Mr. and Mrs. M. B. Scott, George Trent, Mr. and Mrs. A. Laussen, Mr. and Mrs. N. Stangness, Martin Christensen Jr., Mr. and Mrs. Pomroy, and Mr. and Mrs. John Penner.

We are glad to note that George Trent is getting around much better with his broken leg.

BIG

TOURIST SEASON AHEAD!

THE THOMPSONS are busy as bees, getting their place in shape for the tourist season. This year, with three more cabins, electricity and a modernized kitchen, they hope to do even better than before.

They were able to make these additions because last fall Mr. Thompson drove to town to see his bank manager. He knew about the nice little business the Thompsons had built up; a bank loan was quickly arranged.

Now the Thompsons can handle more tourists and increase their income. At the same time Canada will benefit from the extra tourist dollars they take in.

Discourage Egg Collecting

Bird-nesting or collecting bird's eggs appears to be quite a popular pastime for the younger boys this spring, and it would be well if parents would make a point of discouraging this unhappy practice. Egg collections serve little purpose but to deplete the already small bird population of the area. Such collections in the majority of cases are but a whim of the moment, and as boys travel in groups, usually result in the nest being completely robbed. For every bird's egg that finds its way into a collection that is prized and valued by its owner there are hundreds of

eggs that are merely wanted or put into collections that do not survive the first housecleaning. Every egg taken means a bird less—and in many cases the parent birds desert the nest completely after it has been tampered with. Be good sports boys, and leave our feathered friends alone.

The teachers are doing everything they can to stop this regrettable activity and it is up to the parents to take the necessary prohibitory action. A few talks on the value of bird life on the part of the father and mother might also be thrown in for good measure.

Our Pillow Fight Debates

The following editorial, reprinted from the Red Deer Advocate, appealed to us, and will no doubt appeal to many of our readers:

So fearful have our public men become of their tongues, and so concerned the House of Commons with "decorum", our debates have become pillow-fights, with no iron in them at all, and righteous indignation, spoken with passion, looked upon as sin. As a consequence there is being lost to our Parlia-

ment the thing which Churchill once called "urgency"; where men drone away comfortable phrases no one can be blamed for believing that nothing much is at stake. In its way, it is a sign of decadence. If some day Mr. Bracken threw a blue-book across the floor at Mr. King, or vice versa—a thing that Ronald McNeil, a burly Unionist once did, with Winston Churchill his victim—more of us might sit up and take notice. Taking notice, in democracy isn't a bad thing.—Ottawa Journal.

Cluny High Banquet

Following this a presentation by Mr. Tenove, Boys' Supervisor, was made for outstanding co-operation and efficiency of student residents in the performance of their work and assistance in formulating the general policy of the Dormitory. The winners were Leah Luker, Jean Herford, Jean Thomson, Evelyn Jensen, Harold Lewis, George Sisko, Leroy Konechuk, James Parker and Kenneth Hnatuk.

Lorna Nelson is giving the history of the Class of '47, outlined briefly the difficulties Cluny High School had undergone, most outstanding of which was the fire that destroyed their new high school building in 1942, the subsequent difficulties of teachers and students, all of which were borne cheerfully, and "not one student quit". Then the reward and exultation of the opening of the new High School building in March 1944.

The toast to the graduating class was ably proposed by George Sisko, first year student, and responded to by James Parker with a very fine val-

edictory address.

In a very challenging address, "Youth, Citizenship and the Future", Mr. J. Harper Prowse, guest speaker, pointed out the manifold opportunities open in our own country to graduates of today, and stressed the need for adequate self-evaluation, training and specialization in this modern age. In speaking on citizenship Mr. Prowse stated that co-operation is the only method by which we may solve the problems of our society whether they be local or national. He felt that such Canadian problems as racial and re-

ligious intolerance and the conflicting interests of East and West could be solved by only by the application of the age-old principles of Christianity. As an example of the necessity for brotherhood he emphasized the interdependence of rural and urban centres. Mr. George Bell, M.L.A., introduced the guest speaker, paying tribute to Mr. Prowse's work in rehabilitation of veterans.

Following the banquet a program dance concluded the evening. Music was supplied by "Ma" Trainor's orchestra.

"He tried to get a word in the PEACE CONFERENCE."

Maintaining Soil Fertility

Our prairie soils have lost much of their natural soil fertility through continuous cropping and soil erosion. The grain and straw from a twenty bushel crop of wheat contain mineral elements valued at about \$1000. The growing crop removes these elements from the soil. Unfortunately, soil erosion can cause an even greater annual fertility loss than this.

What can be done about it? Well losses of soil fertility in Western Canada can only be reduced if every farmer will follow certain definite practices which influence the fertility of his soil such as proper tillage, crop rotation, and the use of manures and commercial fertilizers. Tillage. The use of summerfallow practices which will kill weeds and store moisture without destroying the structure of the soil particles is important. However, the excessive tillage associated with following one half of the land each year (a one-crop system) has a detrimental effect on soil structure, and eventually leads to severe soil erosion—dust storms and gullies.

Crop Rotation. The periodic use of grass-legume mixtures on different parts of the farm is an excellent way to maintain and increase soil fertility. Grass roots bind the soil particles together, and legumes store nitrogen (an essential plant food) for the use of other crops.

Manure. Well-rotted manure applied at the rate of 10 tons per acre has a fertilizer value of over \$200 per acre. Few prairie farmers are making the best use of their farm yard manure.

Commercial Fertilizers. Phosphate fertilizers (11-18 Ammonium Phosphate) give the best results in the black soil regions, particularly when applied with crops on summerfallow. For soils low in organic matter (eroded soils), however, and where all straw and stubble are worked into the land, applications of 16-20 Ammonium Phosphate are required.

If our prairie soils are to continue to produce food for human want, skillful soil management will be needed, more and more, in the future. For information on soil fertility problems see your local Agricultural Representative, or write to the Soil Department of the University.

FOR THE COMMUNITY MEMORIAL RINK

At the Annual General Meeting of the Strathmore Curling Club it was decided to proceed with plans for a new curling rink so that at least four sheets of curling ice would be available for next year.

In view of the need for a covered skating rink in Strathmore and in the interests of economy, it was decided to support the campaign for funds for the erection of a new arena to accommodate both skating and curling with suitable dressing and waiting rooms.

What more suitable Memorial could Strathmore community undertake to those who have given their lives in the service of our Empire than this? They died to protect and preserve future generations. Let us help to preserve and enrich those generations by providing facilities for the enrichment of their physical and spiritual well being.

Castle Halls and Marble Walls may crumble and decay but they are symbols only of the real Memorial that we build in the health and character of our youth.

Contribute generously, when the Canvasser calls.

WEDDING

SCHULTZ — FISKDAL

A very charming wedding was performed on Monday, May 19, by the Rev. Jones of the First Baptist Church in Calgary, when Marguerite Jean Schultz, youngest daughter of Mr. and Mrs. John Schultz became the bride of Orville Willard Fiskdal, son of Mr. and Mrs. O. Fiskdal, all of Standard. Given in marriage by her father, the bride wore a grey suit with black accessories, with a corsage of red roses surrounding a single white gardenia.

Mrs. Milford Gregory, sister of the bride, matron of honour wore a mustard-coloured suit, brown accessories and a corsage of tulleman roses. The Wedding March was played by Mrs. Alice May, who played another appropriate selection during the signing of the register. Mr. Vergil Fiskdal was his brother's best man.

Thirty-five of the couple's friends and relatives attended the wedding reception, which was held at Pederesen's Cafe. There, the bride's toast was given by the best man.

Mr. and Mrs. Fiskdal returned to their farm in the Standard district after their short Calgary honeymoon.

Mr. and Mrs. Svend Jensen announce the birth of a daughter born May 21, Dolores Arlene.

Mr. and Mrs. Alex Christensen and Mr. and Mrs. Berge Larsen and their daughters spent the long weekend in Banff.

On Sunday May 25, Rev. Frank S. Morley, Minister of Grace Presbyterian Church in Calgary, officiated at the Masonic Church Service held in the Standard Community Hall. About 150 persons turned out to hear Rev. Morley's extremely interesting and well-delivered sermon, "The Heart of the Gospel."

Miss Madge Thomas of the Grace Presbyterian Choir sang two beautifully rendered solos "The Holy City" and "Spirit Divine" accompanied by Mr. K. Robson, as pianist.

After the service the Masons served coffee to their wives and families in the K.P. Hall.

Mr. and Mrs. Harold Larsen and sons visited Mr. and Mrs. Carl Knudsen at Aukley over the weekend.

Mr. and Mrs. Alfred Peterson and Joan spent the long weekend at Delburne, guests of Mr. and Mrs. Willard McDonell.

Mr. and Mrs. A. E. Wagler, Mrs. Wilson, Lindy and Wayne met Mr. and Mrs. Woodrow Wagler and their family at Lake MacGregor on Saturday to visit and fish.

NIGHTINGALE

By Mrs. F. H.

The Women's institute held its regular meeting at the hall last Friday, with the Misses Ruth Deans, and Grace Way as hostesses. An interesting event in Canada's History was given in answer to Roll Call.

Mrs. Thurston read a very interesting letter about the Blind Institute explaining just what different things the blind can do.

Resolutions to be brought to provincial conference were read and some discussions followed.

It was decided to make a new quilt with 18 inch blocks, and each member is asked to bring one to the next meeting June 13, at the home of Mrs. F.

Harriman.

Mrs. Leonard Hilton and Mrs. Fred Hilton were welcome visitors.

There was quite a discussion about Daylight Saving Time and the general feeling was against the change of time.

A delicious tea was served by our hostesses to thirteen members and two visitors.

We are sorry to learn that Jack Stoodley has been quite ill. We wish him a speedy recovery.

Mr. and Mrs. Ted Thurston and daughter, Joan, of Calgary were weekend visitors with the home folks, Mr. and Mrs. Geo. Thurston.

Mr. and Mrs. L. G. Kinney and family were Sunday visitors with their

son-in-law and daughter, Mr. and Mrs. Carl Price, at Dalemead.

The town seems to have completed its spring cleaning and the light rains are much appreciated. There has been a good acreage of flax seeded in this community.

The local baseball boys won over Stratmore at the ball tournament last Saturday.

Mr. and Mrs. Ernie Howe and children of Herrington, Alberta, spent Emery Day holidaying with Mr. and Mrs. Don Dougan.

Mount Archibald Named for Agricultural Leader

The man who directs the 'extension of Canada's northern agricultural frontiers has been honored by the Geographic Board of Canada which recently gave his name to this Yukon mountain—Mount Archibald.

Shown here are the 8400-foot peak and Dr. E. S. Archibald, Director, Experimental Farms Service, Dominion Department of Agriculture, for whom it was named.

An outstanding leader in experimental agriculture, Dr. Archibald directs the operation of 27 experimental

farms and stations, 13 sub-stations, four laboratories, 156 illustration stations and 62 district experiment sub-stations. In recent years, the Experimental Farms service has been expanded by the establishment of experimental sub-stations in both the Yukon and Northwest Territories for the study of northern agriculture.

Located in latitude 60°, 45', 00", Longitude 137°, 51', 23", Mount Archibald overlooks the experimental sub-station at Mile 1019 on the Alaskan Highway.

RED CROSS PLANS FREE BLOOD SERVICE

EDMONTON, Alta. - One of the most important phases of Canada's post-war reconversion scheme, the Canadian Red Cross Society's free peacetime Blood Transfusion Service, was accepted last week by the Associated Hospitals of Alberta. Under the Society's plan every hospital in Alberta belonging to the Association will receive free blood and plasma for those in need.

In accepting the plan on behalf of the Alberta hospitals, Mr. L. R. Adsheld, Secretary-Treasurer of the Association, said: "We feel that the Canadian Red Cross are offering a wonderful service to the hospitals and to the people of Alberta."

MONUMENT IS UNVEILED TO THREE CANADIAN POETS

A bronze tablet erected in commemoration of the public services of the late Bliss Carman, Sir Charles Roberts and Francis Joseph Sherman, was unveiled at Fredrickton, New Brunswick.

Society's Blood Transfusion Service it is necessary to look back to 1901, the year Dr. Karl Landsteiner discovered the existence of human blood groups. This discovery, for which he was awarded the Nobel Prize in 1930, will always rank as one of science's greatest contributions to human knowledge.

Life-saving possibilities of the Service can be drawn from the 1944 accident mortality figure in Canada when over 6,800 civilians met violent deaths. Many of these lives would have been saved by immediate blood transfusion therapy such as the Red Cross will offer in the future.

The Associated Hospitals of Alberta represent all active treatment hospitals in the Province, ranging in size from ten to 650 beds. The Red Cross will supply both whole blood and plasma for distribution absolutely free to all the above hospitals, and to the hospital patients.

The Service is expected to begin operations in July with a main depot in Edmonton and sub-depot in Calgary. Permanent blood donor clinics will be established in Edmonton and Calgary and three mobile units operate throughout the province.

wick, on Thursday, May 15.

Taking part in the official ceremony were the Honourable D. L. MacLaren, Lieutenant-Governor of New Brunswick, who unveiled the tablet; The Right Honourable C. Vincent Massey, P.C.; C. H.; and Brigadier Milton P. Gregg, V.C., M.C., President of the University of New Brunswick. Dr. J. Clarence Webster of Sheshac, New Brunswick, Chairman of the Historic Sites and Monuments Board of Canada, who conceived the idea of such a memorial and was largely responsible for arrangements in connection with the unveiling ceremony, acted as chairman.

The inscription on the tablet reads as follows:

In honour of
Bliss Carman, 1861-1929
Sir Charles Roberts, 1869-1943
Francis Joseph Sherman, 1871-1926
Born in or near Fredrickton, educated in this University, and buried in the cemetery on Forest Hill.

Their gifts of verse enriched Canadian literature and gained for their common birthplace the designation — "The Poets' Corner of Canada."
